Message from the Vice - Chancellor

I gives me great pleasure to set in motion the due process for the admission of the first batch of students in the five constituent colleges under the Dhanamanjuri University namely, Dhanamanjuri College of Science, Dhanamanjuri College of Arts, Dhanamanjuri College of Commerce, G.P. Women's College and L.M.S. Law College.

Setting up of a state university is necessarily a challenging task. Conversion of a cluster of colleges into a university is steeped in its unique complexities as well. Nevertheless, with a degree of foresight, backed by deeply committed faculty members and an aspirational and vibrant student community, the new university would yearn to effectively contribute to efforts for lifting of the status of higher education in Manipur.

The university is taking its first initiative for grounding itself with the admission of its first batch of students in different courses offered by the constituent colleges.

The Dhanamanjuri University thereafter hope to continuously assess and evolve and resolve many complex issues ahead creatively and make tangible contribution in the sphere of transforming higher education in the state. Beyond this, we would strive for its recognition as a hot spot of excellence in the coming years.

I, in anticipation, extend a warm welcome to all the teachers and students of the university.
